

SW-HF5.1 5050

150-watt 5.1 Wood Surround System

Enjoy movies, music and gaming at home with glorious sound!!

Experience a theater in your own home or the excitement of vivid games with the Genius six-piece **SW-HF5.1 5050** Wood Surround Sound System. With the **SW-HF5.1 5050**, you can experience bullets shooting by in games and booming explosions in movies from this solid and elegant, cherry wood home theater system.

This six-piece wood speaker system combines a 75 watt subwoofer with a built-in 6.5" driver to provide deep rich bass performance. A three-way center speaker brings you excellent and clear middle sound range. Four 15 watt two-way satellites deliver a perfect surround effect. A remote control controls the volume for speakers and connection to your stereo devices. You can connect to a DVD, TV, and other stereo devices easily. And the LED display shows volume digitally. Connection is easy and simple; all of the **SW-HF5.1 5050** speakers and cables are color-coded and clearly labeled for easy setup.

Set up your own theater and concert hall at home with the **SW-HF5.1 5050**, and enjoy great sound from music and movies with it. Just contact your salesperson how to pick one up.
