ODA3 FLASH DRIVE

USB 3.2

Main features

- Double interface USB: type-A and type-C™
- Data transfer between the latest devices
- Small casing
- Available capacities: 16, 32, 64, 128 GB
- Lifetime warranty

USB Drive ODA3 allows you to use one USB drive with various desktop and mobile devices. With both USB 3.2 gen 1 type-A and USB type-C connectors, ODA3 can help you to move data between desktop computers and laptops with standard USB port and newest ultrabooks, mobile phones and tablets with the versatile USB type-C™. It's an ideal way to provide an additional extra storage for your device, when access to cloud is limited or not available.
