Epson Exclusive All-in-One Screen

The Epson Multi-Aspect Screen offers you all-in-one screen solution, which fits all projectors. Thanks to its flexible set-up feature, you can easily adjust the screen to 4:3, 16:9 or 16:10 aspect ratios within seconds.

Its exceptional value is complemented by its compact size and portable weight, offering you extra flexibility. The Epson Multi-Aspect Screen is definitely your preferred partner for business or home projection.

KEY SELLING POINTS

- Highly flexible with adjustable aspect ratios
- Easy to set-up and compact carrying size
- Light screen with perfect size to fit retail shelves
- The perfect screen for retailers: one reference compatible with all projectors on the market
