COMMISSION DELEGATED REGULATION (EU) 2019/2013 with regard to energy labelling of electronic displays

|     | Parameter                                                                                                              | Parameter or value and precision                                       |   |       | Jednotka       |
|-----|------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------|---|-------|----------------|
| 1.  | Supplier's name or trademark.                                                                                          | ALIENWARE                                                              |   |       |                |
|     | Supplier's address.                                                                                                    | ERPEL Customer Query,<br>Raheen Business park,<br>V94FH21 Limerick, IE |   |       |                |
| 2.  | Identifikačný kód modelu                                                                                               | AW2521HFLA                                                             |   |       |                |
| 3.  | Trieda energetickej účinnosti pre štandardný dynamický rozsah (SDR)                                                    | F                                                                      |   |       |                |
| 4.  | On mode power demand in Standard Dynamic Range (SDR)                                                                   | 20,4                                                                   |   |       | W              |
| 5.  | Trieda energetickej účinnosti pre vysoký dynamický rozsah (HDR)                                                        | n.a.                                                                   |   |       |                |
| 6.  | On mode power demand in High Dynamic Range (HDR), if implemented                                                       | n.a.                                                                   |   |       | W              |
| 7.  | Off mode, power demand, if applicable                                                                                  | 0,2                                                                    |   |       | W              |
| 8.  | Standby mode power demand, if applicable                                                                               | 0,3                                                                    |   |       | W              |
| 9.  | Networked standby mode power demand, if applicable                                                                     | n.a.                                                                   |   |       | W              |
| 10. | Kategória elektronického displeja                                                                                      | Monitor                                                                |   |       |                |
| 11. | Pomer strán                                                                                                            | 16                                                                     | : | 9     |                |
| 12. | Screen resolution                                                                                                      | 1 920                                                                  | x | 1 080 | Pixels         |
| 13. | Uhlopriečka zobrazovacej jednotky                                                                                      | 62,2                                                                   |   |       | cm             |
| 14. | Uhlopriečka zobrazovacej jednotky                                                                                      | 25                                                                     |   |       | palce (palcov) |
| 15. | Viditeľná plocha zobrazovacej jednotky                                                                                 | 16,5                                                                   |   |       | dm²            |
| 16. | Použitá technológia panelu                                                                                             | LED LCD                                                                |   |       |                |
| 17. | K dispozícii je automatická regulácia jasu (ABC)                                                                       | Nie                                                                    |   |       |                |
| 18. | K dispozícii je snímač rozpoznávania reči                                                                              | Nie                                                                    |   |       |                |
| 19. | K dispozícii je snímač prítomnosti v miestnosti                                                                        | Nie                                                                    |   |       |                |
| 20. | Image refresh frequency rate (default)                                                                                 | 60                                                                     |   |       | Hz             |
| 21. | Minimum guaranteed availability of software and firmware updates (from the date of end of the placement on the market) | 8                                                                      |   |       | Years          |
| 22. | Minimum guaranteed availability of spare parts (from the date of end of the placement on the market)                   | 7                                                                      |   |       | Years          |
| 23. | Minimum guaranteed product support                                                                                     | 7                                                                      |   |       | Years          |
|     | Minimum duration of the general guarantee offered by the supplier                                                      | 3                                                                      |   |       | Years          |
| 24. | Typ zdroja napájania                                                                                                   | interný                                                                |   |       |                |
| 25. | External power supply (non standardized and included in the product box)                                               |                                                                        |   |       |                |

|     |                                                                                         |                                      |   |    |
|-----|-----------------------------------------------------------------------------------------|--------------------------------------|---|----|
|     | <i>i.</i>                                                                               | -                                    |   |    |
|     | <i>ii.</i>                                                                              | Vstupné napätie                      | - | V  |
|     | <i>iii.</i>                                                                             | Výstupné napätie                     | - | V  |
| 26. | External standardised power supply (or suitable one if not included in the product box) |                                      |   |    |
|     | <i>i.</i>                                                                               | -                                    |   |    |
|     | <i>ii.</i>                                                                              | Požadované výstupné napätie          | - | V  |
|     | <i>iii.</i>                                                                             | Required delivered current (minimum) | - | A  |
|     | <i>iv.</i>                                                                              | Požadovaná frekvencia prúdu          | - | Hz |
